## School Bus Transportation Dissolving Separate School District

The school board has received a petition, signed by 12 ratepayers, asking that a public meeting be called to discuss the problem of school bus transportation and to study the subject of dissolving the separate school district.

The petition was received last week and the board set the date of Jan. 25 for the meeting which will be held in the George Simpson school auditorium. This decision was made at a meeting of the board held on Jan. 11.

One of the main items

under discussion at the meeting was the problem of noon hour supervision by the teachers at Sir Alexander MacKenzie and Paul Kane. A committee was set up of Dr. J. W. Chalmers, superintendent, Bill Penrose and J. A. Wiltshire to represent the school board and each school is to send the principal and one other teacher. This committee to bring back recommendations to the board's next meeting.

The school board holds an educational meeting each month and it was decided to

hold these alternately in the schools instead of the administration office, starting on Feb. 15 at Sir Alexander MacKenzie school. This will give members of each school a chance to meet with the board while they are at that specific school.

The subject of a coffee house came under discussion and the board will contact the St. Albert town council to let them know they are completely in accord with the idea and will certainly give them their moral support although they are not prepared to give financial assistance.

Back row left to right: Irene de Luca, Lieutenant 3rd St. Albert Guides; Mrs. J. E. Brostrom, District Commissioner; Pauline Vaugeois, Captain 3rd St. Albert Guides. Front row left to right: Carolyn Gerrie who flew up from the 7th St. Albert Brownies and Corrine Iseke from the 6th St. Albert Brownies. Missing is Cathy Buchanan from the 7th St. Albert Brownies.

## End to Urban Renewal

At the Jan. 8 meeting of the council of the town of St. Albert a letter was read from the Alberta Housing and Urban Renewal Corporation. Quote:

"Your application submitted by the Edmonton Regional Planning Commission for approval and financial assistance under The Alberta Housing Act to prepare an urban renewal scheme was considered by the Alberta Housing and Urban Renewal Corporation at their last regular meeting. "The Corporation concluded that the application could not be accepted because the severity and degree of blight was not such as would warrant the expenditure of public funds at this time."

Yours truly,  
B. R. Orysluk,  
Executive Director.

This wrote the end to a plan carefully drawn up to rebuild the "blight" in the down town area of St. Albert.

Jack Fleming, secretary-treasurer will write the coordinator of Alberta Housing and Urban Renewal Corporation requesting his presence at the Feb. 12 meeting of council to explain why there is not enough blight or if the reason could be lack of available money for the project.

In 1965 the Provincial government set up AHURC to enable municipalities to take advantage of large sums of money set aside by the federal government for the purpose of urban renewal. Under the plan the federal government pays 75% of the cost of land assembly and clearance of a "blighted" area, the provincial government 15% and the local municipality 10%.

Under this program, urban renewal is the creating of a partnership with the three levels of government to undertake the clearing of blighted areas and redevelop property to improve the area in such a way that the improvement created would be worth more than it had actually cost. It would not be an investment without a return.

Before the improvement could begin an extensive study had to be taken as to the actual blight and what it would cost to cure it. This meant not only a study as to what was wrong but

a complete plan of the redevelopment.

A down town area was planned with ample parking and mall type stores. It covered the entire area from highway and Sturgeon river to Churchill Avenue. Administrators worked hard in St. Albert to present this plan in such a manner it would be accepted by the Corporation.

About 52 families would have been relocated. Costs of the program would have totalled \$1,410,017. St. Albert's share would have been approximately \$283,200. All this would have been covered by the donation of land owned

by the town into the partnership. Thus if the scheme had materialized, it would have been at no tax burden to the St. Albert ratepayer and as the land and so on was sold to developers the town would receive a great deal of the above figure back, possibly even more than they had put into it.

And now it appears the whole thing is down the drain with the only consolation being that all it actually did cost the town in cash was \$1,792, this being their cost of preparing the study of St. Albert as it is and the plans drawn up for the modern down town section.

## School Board and Teachers Meet

Teachers from both Sir George Simpson schools, Leo Nickerson, Sir Alexander MacKenzie and Paul Kane schools, met with the St. Albert Protestant Separate School Board on Jan. 15.

Purpose of the meeting was two-fold. To solve the immediate problem of noon hour supervision on a temporary basis and to set up the means of reaching a permanent agreement for supervision in the future.

As only representatives of the schools' teaching staff and the board were present no definite decision could be made, only recommendations to be taken back to the administration groups represented.

The meeting was informal with neither chairman nor secretary. It appeared there would be a general acceptance that the responsibility of noon hour supervision belongs to the teachers and the board.

The following is a quote from the department of education regulations:

"In a school having more than one teacher the board shall be responsible for arranging with the principal and staff for such supervision of pupils as may be considered necessary, upon

such terms as may be agreeable to both parties."

The teachers stated their afternoon efficiency was not at its best after noon hour supervision had been imposed upon them.

Rod Thronson, Principal of Sir Alexander MacKenzie School reported his teachers resumed temporary supervision of the lunch period on Jan. 16 as they felt the board would come to a suitable arrangement at their meeting on Jan. 18.

## Three are Left

There are three St. Albert rinks left in the playoffs of the O'Keefe's mixed dominion bonspiel.

On Jan. 13 and 14 rinks skipped by Pee-wee Quintal, Ray Rouault, Ed Bezzot, Jim Box and Joe McLeod were eliminated.

The Kurt Schlinkinger, Norm Murray and Richard Bird rinks will curl off next week as all available ice time is taken up by the men's open bonspiel this week. Murray and Bird will curl against each other and the winner will play the Schlinkinger rink for the right to go to Westlock for the mixed zone spiel on Feb. 2 and 4.

## By-Election

By-election is to be held Jan. 31 in St. Albert. Frank Lukay and Bob Russell are running to fill a seat left vacant by the resignation of Don Bull. VOTE AS YOU PLEASE BUT PLEASE VOTE.

## Top Names in Curling

Some of the top names in curling are entered in the St. Albert Men's Open Bonspiel being played at the rink here this week.

Bill MacCallum, who was in the finals for the cars against Merv Mann recently is one. Hec Gervais has Wally Ursalak of his Edmonton rink together with Vince Ratchinsky and Tom Nuttal of his St. Albert Curlers on one rink. Stan Trout, former Dominion school boys champion is also curling in the 'spiel.

Among well known curlers seen on the draw sheet are Tom Bahonluk, Wayne Saboe and John Radomsky.

At press time after two nights of curling all the big names were alive in the "A" event except Mac Callum who fell to the curling of Al Mitchell, local postmaster, and his foursome on Jan. 16.

## Petition

At press time a petition was being circulated through St. Albert protesting the debenture borrowing of the town of St. Albert that is advertised in Jan. 3 issue of the "Gazette".

By-laws being advertised are for construction of sidewalks, asphalt pavings of streets, graveling of parking lots, landscaping and reforestation, construction of a ski tow, and purchase of machinery and equipment.

One of the group circulating the petition states petitioners believe that the ski tow should be built by private enterprise and that for the rest of the borrowing the town should be "holding the line" financially at the present time.

## Norwood Wins Legion

Norwood Branch of the Royal Canadian Legion won the Legion Zone playoffs curled in St. Albert on Jan. 13 and 14.

Geoff Wright and his team represented St. Albert, they lost to Redwater in the first game, beat Fort Saskatchewan and then lost to Montgomery. Montgomery won second place in the weekend event.

## St. Albert Lions

On Jan. 19 and 20 the Calgary North Hill Club host a Midwinter Conference at the Calgary Inn. To date about 13 St. Albert couples are expected to attend.

Twelve members visited the South Edmonton club recently and report a good time.

The Lions hockey team is still undefeated.

The St. Albert boys welcomed the transfer of Harry Hutchings and Don McLean to their club. Sam Leigh had become a new member.

Policy to be followed by the club in connection with membership participation in buying tickets, etc. The Board of Directors passed the following motion at the last Directors' meeting -- "that in all St. Albert Lions Club's raffles, lotteries, or the like, there shall be no restriction on the sale of tickets to members of the club or their families." Please give this motion your serious consideration and your views and opinions will be discussed at the first meeting in February.

Well, our Lady Lions are at it again! This notice is directed only to those who have never attended a Lady Lions "Sweetheart Ball". This event is always a highlight of our year. It is being held Feb. 9 at 8:30 at the Mocombo.

Redwater lost two straight games after beating St. Albert.

Other branches entering were Strathcona and Kingsway.

## Paul Kane Beat St. Albert High

On Jan. 12 at Paul Kane St. Albert High boys and girls basketball teams dropped both games to Paul Kane 75-49 and 67-31 respectively.

St. Albert High boys were in the game in the second quarter and outscoring Paul Kane 18-14 but could not muster a steady attack for the rest of the game.

Paul Kane was hampered by the loss of one of their top scorers, Bill Connauton, who was in hospital.

The Paul Kane girls were in command throughout their entire game never looking back from the opening whistle.

Top point getter for Paul Kane boys was Pat Kane getting 33 points, and Gudrun Meyer who counted 33 points for the girls.

Barry McGillis was high scorer for St. Albert High getting 22 points.

This is the second loss in as many meetings with Paul Kane so far this year.

Jan. 19 Paul Kane meets Stony Plain at Stony Plain and St. Albert High faces Ardrossan at Ardrossan.

### School Busses

Those in Mission Park are not the only ones effected by not having school buses.

In the coming year there may be a switch and your children may have to be bused from Sturgeon Heights to Simpson's new school and reversed. There are high school children hauling big loads of books from other areas of town beside Mission Park.

When you vote on the plebiscite just stop and think about sending a little six

year old beginner to school to walk 1.4 miles two to four times daily.

How would you like children crossing the highway? Let's have a bus before this happens.

There will be a public meeting on Jan. 25 at 7:30 p.m. in the gymnasium at Sir George Simpson Junior High School. All concerned persons should attend to air their views and get information.

One concerned in Mission Park.

Well-known Toronto actress Lynne Gorman has the challenging title role in The Citadel Theatre's presentation of Tiny Alice, Jan. 10 to Feb. 3.

Tiny Alice--described as "the most controversial play of the season" by Saturday Review's Henry Hewes--delves into man's lust, vanity, loneliness and despair at his own fate.

An interesting sidelight is that Tiny Alice was written by the same author who wrote "Who's Afraid of Virginia Woolf?" the searing drama that caused such a furor when it was produced by The Citadel two years ago.

There will be one Saturday matinee during the run of Tiny Alice, on Jan. 13 at 2:30 p.m.

Joseph Keroack of 9023 130 Avenue, passed away in the University of Alberta hospital on Jan. 16 at the age of 40 years.

He leaves to mourn his loss his loving wife Florence, two daughters, Paulette, 11 years; Jacqueline, 7 years and one son Dennis, age 3. Also a sister Mrs. A. Deschenes of St. Albert and his parents who live in Chateau Sturgeon, at Legal.

Funeral services will be held in St. Joachim Roman Catholic Church on Jan. 19.

Mr. Keroack was the maintenance plumber at the University of Alberta and received burns to 80% of his body when a pipe broke pouring boiling water over his body and he lay unable to move in a crawl-way under the medical arts building until help came some 30 minutes later.

### SCHOOL BOARD MEETS

Continued from page 1 of Paul Kane reported he was still supervising alone and would continue to do so until after the Jan. 18 meeting. Teachers at Paul Kane are asking for a return to the 30 minute lunch break before they start supervision at noon.

Dr. W. J. Chalmers said that the board would have to work out a long term agreement with the sub-local of the Alberta Teachers' Association. It is possible this will not be completed before the beginning of the new school year in September.

"I am sure the teachers will co-operate under extreme weather conditions when so many more children bring their lunch.

"It looks as though the boiler-pressure is down and we are much closer to a solution than we were last week. The teachers expressed gratitude for the board's attitude and the board did recognize the desire of the teachers to protect their individual rights", Dr. Chalmers concluded.

## Candidates Have Their Say!!

### Platform Simple and Direct

### Pleasant Place to Live

I am standing for election as a town councillor because I believe that there is a job to be done here on behalf of the people and I'm prepared to carry it out in a responsible and straightforward manner. My platform is simple and direct:

1. We must cut all unnecessary spending. 2. We must get town development moving again.

1. Every item of expenditure must be thoroughly examined to see if it is really essential at this time. A definite plan of priorities should be established and the PUBLIC kept informed of spending proposals. Many people have called me to complain of the debenture by-laws in the local paper and they are concerned about the amount of debenture borrowing that is being done at today's high interest rates.

2. St. Albert has an excellent future but we must provide a better balance between industrial, commercial and residential taxation. This can only be done by a concentrated effort to make St. Albert as attractive as possible to business and industry. We are now in a very favourable position with Edmonton as far as land value is concerned and it's time we got on with the job of developing these possibilities.

To begin with, we should produce an attractive pamphlet giving a detailed description of our available industrial and commercial property and outlining the cost of services and other pertinent details. This pamphlet could be distributed to firms who are looking at St. Albert as a place to establish and at the very least, the Town Hall would have an up-to-date piece of literature available to any one who wanted to enquire. I spend most of my working day selling St. Albert to

prospective home owners and I would be prepared to devote time and effort to producing such a pamphlet to help us attract commerce and industry.

I also believe that it is fine to have an overall plan for development, but in my opinion, it should be used as a guide for the council and that we should judge each application for commercial development on its own merit. It appears that we are presently tied to the over all plan and I would advocate a change in that policy. I also believe that we should take a second look at the urban renewal scheme before we spend any money on that proposal.

As a town councillor, I would devote my energies in a positive and productive manner toward these goals. I will work to see that your money is spent wisely and that you are kept informed. I will always be open to comments and suggestions from the public.

I sincerely ask for your support.

Robert Russell.

THOMAS J. MCNAMARA

Riviere Qui Barre - On Dec. 21 funeral services were held in St. Charles Roman Catholic Church in Mearns for the late Thomas James McNamara, 88, with Rev. T. Rozmahel officiating, assisted by Rev. Walter Fitzgerald and Rev. Father Angus McRae. The eulogy by Rev. Fitzgerald, interment followed in the family plot in the church cemetery in Riviere Qui Barre.

Born in Kimeo, Kansas, the late Mr. McNamara came to Canada as a youth of 16 years with his parents the late Mr. and Mrs. John McNamara in 1895. The original homestead site was located where the hamlet of Riviere Qui Barre now stands. Some five acres were donated for the building site of the first church and church cemetery, which today occupies the same location.

The late Mr. McNamara married Miss Elizabeth Kinsella, also of Riviere Qui Barre in St. Emerance Parish Church by the late Father Okhyson, pastor from 1902 until 1917.

They farmed and raised their family of three children, and continued to live on the farm until 1958 when they sold their land to Firmin Borle of Ray. They then retired to Riviere Qui Barre where they continued to live until his death.

The happy couple lived to celebrate their Golden and Diamond Jubilees in the original parish church where they were married, amid their children and life long friends.

Mr. McNamara was a devoted church supporter and served as church trustee and school board member for a long period of time. He was also elected a councillor on the municipal council of Sturgeon, then known as the M. D. of Morinville.

# Community History Fund

**BON ACCORD.**

At the December meeting of Bon Accord F.W.U.A. Local 502 it was decided that the F.W.U.A. would undertake a Centennial project, the management of raising funds to help finance the cost of publishing the "History of Bon Accord" which is now being written.

Publishing a book is expensive, and although the exact cost is not known as yet, it is expected that a minimum of \$5000 will be needed, \$2,000 of which will be needed soon to get things started. This figure is based on a tentative order of 500 copies at \$10.00 per copy. It is expected the book will have a hard cover, with about 300 to 350 pages, and numerous pictures and some maps.

Some of the stories the book will contain are, well over 50 families histories, experiences of early pioneers, past and present history of all organizations, a section on churches and schools, stories about the railroad, and telephone, the history of community recreation, and the building of the community hall.

Highlights of events over the years, including records of two world wars, a section on the townsites of Bon Accord as it was in the early days and as it is today.

The F.W.U.A. has started a "Publishing Fund" with a deposit of \$50.00 in the Treasury Branch in Bon Accord. Any organization or individual in the community, or otherwise, who would like to make a contribution to this fund may do so by contacting one of the following persons, Mrs. George Carleton, Mrs. Marshall Samis, Miss Martha Rahn, Mrs. Logan Carleton all of Bon Accord. There may be organizations or groups in the community who have disbanded and still have funds that could be put to use in this way.

An error was made in a write-up of an item in the Jan. 3 issue. Item should have read, "the evening was organized by the C.W.L. and the Christian Ladies with Father Primeau and Father Beaupre. The United Church Ladies were guests."

The item referred to a Christmas party.

MORINVILLE MEMOS  
continued from Page 5

The merriment of the Christmas season didn't evade the girls of the Gibbons 4-H Garden Club this year. Since the beginning of December our club has been involved in many activities.

On Dec. 4 all the members took part in the party that the Namao Garden Club held. The girls commented on the good time they had and how much better they got to know the members of the Namao Club. We wish to thank the Namao Club for the very enjoyable evening.

Less than a week later, the Gibbons Club held a Christmas Party at the home of Cindy and Susie Allison with the leaders and all

members attending. Everyone including the leaders, went out to skate on Allison's Lake. A number of complaints of sore ankles were uttered by our elders, but everyone had fun.

Following this a short business meeting was held in Allison's home. We ended with a Christmas gift exchange and a delicious lunch.

Barbara Paradis, Sturgeon representative for Garden Clubs and other members attended the regional meeting in Edmonton recently. She found that the meeting gave her a broader view of 4-H work in action and its work for crippled children in Alberta.

Four members attended the Communications and Public Speaking Workshops in Morinville held on Dec. 27. They were Margaret Elliott and Edith Paradis who participated in the Public Speaking section; and Linda Lamoureux and Barbara Paradis in the Communications section.

The adult committee in charge of the workshops and the 4-H members participating enjoyed a noon-day banquet at the recreation centre.

# Alcomdale 4-H

The Alcomdale 4-H Clothing Club recently held a Christmas party at the home of one of its members, Evelyn Falls.

The guests included friends and neighbors of the club members as well as previous members.

The party consisted of an evening of dancing and games. The club would like to extend their thanks to Mrs. J. Falls for hosting the party and also to all those present who made it such a success.

## Legal Locals

The Senior A hockey team chalked up two victories last week. They played in the Legal Arena on Jan. 12 against Spruce Grove and Jan. 14 against Westlock. The Legal Juveniles defeated Morinville in Legal on Jan. 13.

Marriage preparation courses will be offered to all young men and young girls who would like to take advantage of these instructive courses, contact Father R. Morin.

The Christian Ladies held their monthly meeting at the Chateau Sturgeon which enables our senior members to attend at least one meeting a year, since it is not convenient for them to join the rest of the ladies at the Recreation Centre monthly. Coffee and cake was served by the lunch committee.

In spite of the 20° below temperature the Christian Ladies challenged the J.E.C.

girls to a broom ball game and were defeated by a score of 1-0. After the ladies group, the K of C, played against the high school boys. The boys were defeated.

Anyone interested in taking the First Aid Course that will commence in February contact Mrs. Angela Montpetit phone R417.

Brenda Hills daughter of Mr. and Mrs. Donald Hills was christened Jan. 14. Godparents are Mr. and Mrs. Gerald St. Jean.

Mr. Armand Massie has been a patient in the hospital recently.

## Legal 4-H Clothing Club

Recently the Legal 4-H Clothing Club members held their annual Christmas party. Each member accompanied by a friend talked, danced and snacked, while lunch was being prepared by their devoted leaders. Several games of bingo were played with prizes given to the winners. A door prize was also given to a lucky member and her guest. Lunch was served.

The chairman thanked everyone for attending and invited them to come to the arena for an hour of skating.

## Ukrainian Class

A number of Ukrainian families are grateful to Mr. and Mrs. Steve Zilinski of Legal for permitting the use of their rumpus room to hold Ukrainian classes in language and religion every Saturday afternoon conducted by Father Zachariasevych of Redwater.

Father is also preparing some children for their first communion and taught them Christmas carols.

On Dec. 26 the enthusiastic children crowded into two cars and went carolling to Ukrainian homes in the district. They were so well accepted that they went out the next day to spread the Christmas spirit to other homes.

The proceeds realized were turned over to the Catholic church. The children are from Fedorah and Waugh Ukrainian Catholic Parishes. Thanks goes to Father Zachariasevych and Mr. and Mrs. Zilinski for enabling the following children to have these special classes. Jos Ostapowich, Lucille Bertha and Walter Luchka, Mary Sudyk, Betty Hulyk, Marlene Zilinski, Donald and Nick Budnar, Sandra Budzinski of Fedorah, Eddy and Debbie Chmilar from Picardville, Peter and Diane Borduzak, Janet Grace, Denis, Timothy and Carol Zilinski.
